

STUDY ABROAD IN CALIFORNIA

**Are you ready for a personally enriching and academically rewarding experience?
National University invites you to study abroad at our San Diego or Los Angeles campus.
Explore California culture and take classes with students from 70 countries.**

LOS ANGELES

Known as the “City of Angels,” Los Angeles is a multicultural, metropolitan hub. Home to over 3.8 million people, including many working artists, writers, filmmakers, dancers, and musicians, L.A. is referred to as the “Entertainment Capital” of the world.

Places to see: Grauman’s Chinese Theatre, Hollywood Walk of Fame, Universal Studios, the Getty Museum, Santa Monica Pier, Disneyland, and much more.

“I’ve had positive experiences since I’ve been here. It is a lot to learn in one month, but the professors are really nice and are here to help if you have questions or problems. Also, the other students are friendly and helpful, so you have a good learning atmosphere in the class.”

- Robin in Aachen, Germany

SAN DIEGO

Known as “America’s Finest City,” San Diego has earned its reputation with breathtaking beaches, a relaxed atmosphere, an active, outdoor community, and a thriving high-tech industry. Attracting over 32 million visitors every year, San Diego is culturally diverse and features renowned attractions.

Places to see: San Diego Zoo, San Diego Zoo Safari Park, SeaWorld, Balboa Park, the Old Globe Theater, and much more.

NATIONAL UNIVERSITY

NATIONAL UNIVERSITY'S STUDY ABROAD PROGRAM INCLUDES

- **A flexible schedule:** Program length varies from one to six months, (with a 60-day grace period in which you can travel other parts of the United States on your F-1 visa), up to a full degree.
- **New student orientation:** The first three days of your program involves document check-in, a campus tour, food and fun, meeting the staff and professors, and information on cultural adjustment and success at National University.
- **Weekly events:** Activities include low-cost and fun outings to experience in your host city.
- **Diverse areas of study:** Choose from a variety of classes in business and management, education, engineering, technology, media, health and human services, professional studies, and liberal arts and sciences.

WHY NATIONAL UNIVERSITY?

- Founded in 1971, we have a rich history of preparing tomorrow's leaders.
- We stand out as the second-largest private, nonprofit institution of higher education in California and among the largest in the United States.
- Our unique one-class-per-month format means you can concentrate on one subject at a time, which allows for more focused study.
- We are fully accredited by the Western Association of Schools and Colleges (WASC).
- Courses start every month, allowing you to start class anytime.
- Small class sizes give you the opportunity to gain personalized attention.
- Our professors have real-world experience in their field.
