

YOUR STUDY ABROAD PROGRAM

The International College of Management, Sydney (ICMS) offers a study abroad program with full academic transfer to your home institution.

STUDY LOAD

At ICMS you can undertake 3 or 4 subjects during your semester abroad. That's approximately 12-16 hours of class time per week.

ACADEMIC SUPPORT

To help you settle in and assist you throughout your time at ICMS, experienced academic staff and Academic Learning Centre staff are available should you need them.

PROFESSIONAL ENVIRONMENT

ICMS equips students with the self-discipline they will need when they start their careers; whether it be in the way they dress or the way they communicate. Students must bring a business suit with them to wear to class.

OPTIONAL INTERNSHIP

ICMS has developed an internship program allowing you to combine your Study Abroad experience with international work experience.

Internship for Credit

Take 4 academic subjects plus an internship as a 5th subject or 3 academic subjects and have the internship count as your 4th subject. The option you choose will depend on your home university's study abroad and internship requirements.

This internship will involve 10 hours per week in a Sydney based company completing a set task or project assigned by the employer. There is also an academic component to this internship, which involves weekly journals, a final project and presentation.

You can study any major to apply for this internship but must have a GPA of 3.0 to apply. No previous work experience or internship is necessary.

For more information on this new internship for credit option please visit: icms.edu.au/courses/study-abroad/internshipforcredit

ICMS ORIENTATION WEEK

The College provides an intensive orientation program the week before classes officially start. "O-Week" begins with a formal welcome to the College and introduces you to life in Sydney and at ICMS. You'll also be provided with timetable information, textbooks and subject materials. You'll be required to wear smart casual clothes during O-Week, and your own business attire from Week 1.

AYERS ROCK INTERNATIONAL CULTURAL IMMERSION PROGRAM

Join us for our 5-day International Cultural Immersion Program in Ayers Rock before you head to ICMS for O-Week.

The 5-day program is an in-country orientation which welcomes you to your host country. It helps you adjust to the academic and cultural differences you might encounter, introduces you to other study abroad students that will be attending ICMS, and exposes you to a beautiful and exciting area of Australia.

The program provides a unique educational aspect to your study abroad experience and it will prepare you for a semester of new adventures and lifelong memories. Session topics include culture, health and safety, the Australian education system, cultural adjustment and living in Australia.

Included in the program are all meals, a tour to the Rock, tour to Kata Tjuta, an award-winning Sounds of Silence dinner under the stars in the desert, educational sessions and bus transfers to and from Ayers Rock Airport. You must arrange and pay for your own airfares to and from Ayers Rock.

Enquire early so you don't miss out: info@icms.edu.au

APPLYING TO ICMS

The steps are easy.

| Step 3 | ICMS will send you a letter of offer |
| Step 4 | Receive your offer, accept and pay your deposit |
| Step 5 | Go to icms.edu.au to register and book accommodation, and browse the campus facilities |
| Step 6 | Apply for your student visa with the help of your program advisor or international office |

SEE THE WORLD WITHOUT EXTENDING THE DURATION OF YOUR STUDY

They say that travel broadens the mind. If you study while you travel, that's certainly the case. ICMS provides the complete experience.

LIVING IN SYDNEY

Sydney is the state capital of New South Wales. This spectacular city of more than 4 million people is widely regarded as one of the world's most liveable cities. An extremely pleasant climate helps; even in mid-winter, temperatures rarely fall below 50°F (10°C), and while mid summer temperatures can occasionally top 97°F (36°C), the average is around 82°F (28°C). Remember though, that southern hemisphere seasons are opposite to the northern hemisphere.

WHAT A LOCATION!

The ICMS campus will take your breath away. Housed in a magnificent heritage listed building with more than 100 years of educational history behind it, ICMS overlooks Sydney's famous Manly Beach and boasts 20 hectares of parkland.

This safe and peaceful environment for study is just a few minutes walk from Sydney's magnificent harbour, and the city itself can be reached in 17 minutes by fast ferry.

TRULY INTERNATIONAL

ICMS has over 1,200 students from over 40 countries around the world, offering not just a study experience, but a cultural experience too. Study Abroad students come from as far and wide as the USA, Mexico, Germany, Brazil, Switzerland, Sweden and Norway.

A LIFE EXPERIENCE, TOO

Naturally, you will want to do and see as much as you can while you're in Australia. Here are a few activities you might like to consider:

- Walks to nearby Manly, Shelly and Collins Beach
- Surfing
- Beach volleyball
- Scuba diving
- Horse riding
- Day trips to the Blue Mountains and Hunter Valley
- Sailing on Sydney Harbour
- Sports afternoons on campus
- Sydney city sights tours such as the Opera House
- Harbour Bridge climb
- See Australian animals at Taronga Zoo

OTHER THINGS YOU NEED TO KNOW

Visa requirements

All international students need an Australian student visa on enrolment.

For more information about visa requirements and processing, go to studyinaustralia.gov.au. Please note that visa processing time may vary.

Health insurance

International students are required to have health insurance during their stay in Australia. ICMS will arrange your Overseas Student Health Cover (OSHC). OSHC contributes to the costs of doctors' fees, specialists, ambulance, prescription medicines and emergency treatment. Norwegian and Swedish students do not need OSHC as cover is provided by their national health schemes.

Working in Australia

International students may work in Australia while they are studying here. Work permits allow students to work for up to 20 hours a week during the academic trimester and full time during trimester breaks. Full details are available during Orientation Week.

Where you can live as an ICMS student

As a study abroad student, you can choose between on-campus or off-campus accommodation. On-campus accommodation includes all meals. For more details, go to icms.edu.au/accommodation. Off-campus accommodation includes shared houses or apartments, or private board.

Upcoming trimester dates

- 25 May to 27 August 2016
- 7 September to 10 December 2016
- 13 February to 20 May 2017
- 31 May to 2 September 2017
- 13 September to 16 December 2017

"Spending a semester abroad at ICMS was a great way for me to combine international travel with my studies."
