

S T U D Y A B R O A D

YOUR STUDY ABROAD PROGRAM

The International College of Management, Sydney (ICMS) offers an undergraduate and postgraduate study abroad program with full academic transfer to your home institution.

STUDY LOAD

At ICMS you can undertake 3 or 4 subjects during your term abroad. That's approximately 9-12 hours of class time per week.

STUDENT SUPPORT SERVICES

Our experienced academic staff and Student Success Centre (SSC) advisors are available to provide learning support throughout your time at ICMS. The SSC also offers confidential guidance and support on all wellbeing-related issues including physical and emotional health.

PROFESSIONAL ENVIRONMENT

ICMS equips students with the self discipline they will need when they start their careers; whether it be in the way they dress or the way they communicate. Students must bring a business suit with them to wear in class.

OPTIONAL INTERNSHIP (UNDERGRADUATE ONLY)

ICMS has developed an internship program allowing you to combine your Study Abroad experience with international work experience.

Take 4 academic subjects plus an internship as a 5th subject or 3 academic subjects and have the internship count as your 4th subject. The option you choose will depend on your home university's study abroad and internship requirements.

This internship will involve 10 hours per week in a Sydney based company completing a set task or project assigned by the employer.

You can study any major to apply for this internship but must have a GPA of 3.0 to apply. No previous work experience or internship is necessary.

For more information: please visit: icms.edu.au/study-abroad-internship-options

- Marketing and New Media
 Management
- Property Management
- Retail Marketing
- Sports Management

POSTGRADUATE STUDY AREAS

- International Business
- Tourism and Hospitality
- Management and Organisations
- Event Management

ORIENTATION WEEK

The College provides an intensive orientation program the week before classes officially start. Orientation begins with a formal welcome to the College and introduces you to life in Sydney and at ICMS. You'll be required to wear smart casual clothes during Orientation, and your own business attire from Week 1.

INTERNATIONAL CULTURAL IMMERSION PROGRAM

Join us for our International Cultural Immersion Program before you head to ICMS for O-Week.

The program is an in-country orientation which welcomes you to your host country. It helps you adjust to the academic and cultural differences you might encounter, introduces you to other study abroad students that will be attending ICMS, and exposes you to a beautiful and exciting area of Australia.

The program provides a unique educational aspect to your study abroad experience and it will prepare you for a semester of new adventures and lifelong memories. Session topics include culture, health and safety, the Australian education system, cultural adjustment and living in Australia.

Included in the program are organised meals, selected tours, educational sessions and bus transfers.

SEE THE WORLD WITHOUT EXTENDING THE DURATION OF YOUR STUDY

They say that travel broadens the mind. If you study while you travel, that's certainly the case. ICMS provides the complete experience.

LIVING IN SYDNEY

Sydney is the state capital of New South Wales. This spectacular city of more than 5 million people is widely regarded as one of the world's most liveable cities. An extremely pleasant climate helps; even in mid-winter, temperatures rarely fall below 50°F (10°C), and while mid summer temperatures can occasionally top 97°F (36°C), the average is around 82°F (28°C). Remember though, that southern hemisphere seasons are opposite to the northern hemisphere.

WHAT A LOCATION

away. Housed in a magnificent heritage listed building with more than 100 years of educational history behind it, ICMS overlooks Sydney's famous Manly Beach and boasts 20 hectares of parkland. This safe and peaceful environment for study is just a few minutes walk from Sydney's magnificent harbour, and the city itself can be reached in 17 minutes

The ICMS campus will take your breath

TRULY INTERNATIONAL

by fast ferry.

ICMS has over 1,300 students from over 50 countries around the world, offering not just a study experience, but a cultural experience too. Study Abroad students come from as far and wide as the USA, Mexico, Germany, Brazil, Switzerland, Sweden and Norway.

A LIFE EXPERIENCE

Naturally, you will want to do and see as much as you can while you're in Australia. Here are a few activities you might like to consider:

- Walks to nearby Manly, Shelly and Collins Beach
- Surfing
- Beach volleyball

- Scuba diving
- Horse riding
- Day trips to the Blue Mountains and Hunter Valley
- Sailing on Sydney Harbour
- Sports afternoons on campus
- Sydney city sights tours such as the Opera House
- Harbour Bridge climb
- See Australian animals at Taronga Zoo

OTHER THINGS YOU NEED TO KNOW

Visa requirements

All international students need an Australian student visa on enrolment. For more information about visa requirements and processing, go to studyinaustralia. gov.au. Please note that visa processing time may vary.

HEALTH INSURANCE

International students are required to have health insurance during their stay in Australia. ICMS will arrange your Overseas Student Health Cover (OSHC). OSHC contributes to the costs of doctors' fees, specialists, ambulance, prescription medicines and emergency treatment. Norwegian students do not need OSHC as cover is provided by their national health schemes.

WORKING IN AUSTRALIA

International students may work in Australia while they are studying here. Work permits allow students to work for up to 20 hours a week during the academic trimester and full time during trimester breaks. Full details are available during Orientation Week.

Where you can live as an ICMS student As a study abroad student, you can choose between on-campus or off-campus accommodation. Oncampus accommodation includes all meals. For more details, go to icms.edu.au/accommodation. Offcampus accommodation includes shared houses or apartments, or private board.
