A large, historic stone building with a prominent central tower and multiple arched windows. The building is surrounded by a green lawn and palm trees. A red banner at the top right contains the text "NORTHERN BEACHES CAMPUS" and "151 Darley Road, Manly, Sydney".

NORTHERN BEACHES CAMPUS
151 Darley Road, Manly, Sydney

NORTHERN BEACHES CAMPUS

Fondly known as “the castle on the hill” (where the Hollywood blockbuster *The Great Gatsby* was filmed and where Nicole Kidman and Keith Urban were married), the castle is a Sydney landmark dating back to the 19th Century. The imposing structure dominating the beachside suburb’s landscape won worldwide acclaim when it was built by the Catholic Church between 1885 and 1889. The building, with its Gothic style and romantic central bell tower, holds a commanding position overlooking the azure of Sydney Harbour and the Pacific Ocean. The entire estate covers 20 hectares of parkland.

The campus is a five-minute walk to famous Manly beach and Manly’s CBD, well known for its shopping precinct, cafés, restaurants and beachside lifestyle. A few minutes’ walk in the other direction will lead you to the foreshores of the harbour. There are harbour side bush walks to explore, extending more than 50 kilometres north and south. ICMS is also close enough to Sydney city – 17 minutes by fast ferry from Manly ferry wharf.

You have access to facilities on campus including computer laboratories, tennis and basketball courts, café, bar and restaurant. Free wireless internet is available throughout the buildings of the campus.

The diploma and PQP qualifications are delivered here.

ESPLANADE CAMPUS
Levels 1 & 2, 46-48 East
Esplanade, Manly

ESPLANADE CAMPUS

Brilliantly located campus overlooking the harbour on East Esplanade in Manly. This campus is in the heart of Manly's CBD, well known for its shopping precinct, cafés, restaurants and beachside lifestyle and is located 200m from the ferry and bus stop.

English and Foundation course are delivered here.

CHOOSE YOUR 2ND YEAR AT

MURDOCH UNIVERSITY

At Murdoch we have more than 22,000 students and over 2,000 staff, including 2,000 overseas students from around 100 countries studying in Perth and another 8000 studying offshore. That's more than 25,100 unique stories, backgrounds and ways of thinking that help us to make a difference in the world.

In Western Australia, our Perth campus has a range of facilities including a comprehensive vet hospital (with WA's only equine operating theatres), engineering pilot plant, a chiropractic clinic, Media Arts centre and more. We also have campuses in Singapore, opposite the National Library in the education hub, and in Dubai where our students use state-of-the-art TV and radio studios, newsrooms and editing suites.

We're recognised as one of Australia's leading research institutions, as more industries place their belief and resources into our projects to provide our research candidates and scientists with the opportunity to make amazing discoveries.

Murdoch views the opportunity for its students to take part in some form of work-related experience as an essential form of learning integral to each of our courses. The University's Work Integrated Learning (WIL) Program seeks to provide an important learning experience for students, while allowing them to demonstrate their graduate skills to employers.

I chose Aspire because of their internship program which is part of the curriculum. This allowed me to gain practical experience while studying.

How did you find your time living on campus?

I enjoyed living on campus because I could spend more time studying, while enjoying my free time with friends who also lived on campus.

What course are you studying at UTS and why did you choose this?

I chose to study Finance at UTS because I enjoy numbers and maths.

What was the highlight of your time at Aspire?

My industry training was the highlight of my time at Aspire because I got the chance to use and apply my knowledge and what I've learnt in class in a practical way.

How did you find your transition to UTS?

The transition was pretty smooth and easy. Most of the work to do with the transition was done by the Aspire team.

What is your dream job?

I aim to work for a big organisation while still running my own business. I would also like to use my skills in some way to uplift society.

Would you recommend Aspire?
